# ★STAR Registry★

## Research Volunteers

*Seniors Together in Aging Research*

**Iowans age 50 and over are invited to participate in a volunteer research registry.**

The STAR Registry offers:

- ★ Learn about the research process
- ★ Receive information about healthy aging and University of Iowa research studies for adults
- ★ Many studies provide compensation

Participation in this registry and any research study is voluntary. People with medical problems, as well as healthy people, are invited to be in the STAR Registry.
