Needs, Victoria Frost, Andrew Chantry, Alexandra M.E. Jones, Catharine A. Ortori, David A. Barrett, Richard Y. Ball, Robert D. Mills, and Richard F. Mithen (PLoS ONE 3(7): e2568 doi:10.1371/journal.pone.0002568, HTML, XML, and .pdf format, 14p.). <http://www.plosone.org/article/info%3Adoi%2F10.1371%2Fjournal.pone.0002568>
8. AMEDEO MEDICAL LITERATURE: Note: "AMEDEO has been created to serve the needs of healthcare professionals, including physicians, nurses, pharmacists, administrators, other members of the health professions, and patients and their friends. They can easily access timely, relevant information within their respective fields... All AMEDEO services are free of charge. This policy was made possible thanks to generous unrestricted educational grants provided by AMGEN, Berlex, Eisai, Glaxo Wellcome, Novartis, Pfizer, Roche, and Schering AG."
