4. NATIONAL COUNCIL ON PATIENT INFORMATION AND EDUCATION MEDICATION USE SAFETY TRAINING (MUST) FOR SENIORS VIDEOS AND PRESENTATIONS (2007, Windows Media Player, .pdf, and Microsoft PowerPoint format). "The Medication Use Safety Training (MUST) for Seniors' program is designed as an interactive, national initiative to promote safe and appropriate medicine use by enabling older adults to avoid medication misuse, recognize and manage common side effects, and improve medicine use knowledge, attitudes, and skills to avoid medication errors. MUST for Seniors' can be offered to community-based, ambulatory older adults. Older individuals and family caregivers are also encouraged to use this site and to participate in the program by viewing the online PowerPoint presentation, video clips and other program messages and materials.
